

ROBIN CROW

Robin Crow is a speaker, author, entrepreneur, business owner and one of the most innovative guitarists in the world. With over 2,000 presentations to his name, his expertise on **leadership** and **customer service** comes from 30 hard-won years in the trenches as an entrepreneur. For the past 13 of those years, he has led his company, Dark Horse Recording, a four studio complex he built from the ground up, to set the gold standard for customer service and excellence in the recording industry and is home to Faith Hill, Neil Diamond, Michael W. Smith, Jewel, and Alison Krauss to name a few. He has had ten albums released and four books published, including *Jump And The Net Will Appear*, which has become required reading for many high schools and universities. Robin has been a contributor on CNN and Canada AM, and has made over 55 other national and major market television appearances. He is also a featured speaker for Nightingale Conant.

Robin lives in Franklin, TN and serves on the boards of several organizations. He loves spending time enjoying some of his greatest passions – hanging out with his four children, throwing large barbecues for his studio clients and friends, and spending as much time as possible in the Rocky Mountains.
